

Hello Year 3,

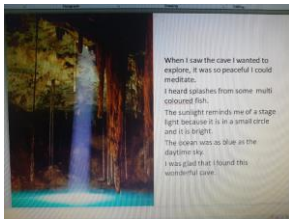

Today marks the last day of the Summer Term and the start of your summer holiday!

I hope that you have all had a lovely week and enjoyed having a go at some of the activities I set for home learning.

I wanted to start off by saying how proud I am of how hard you have all worked during this strange time, it is a real shame that we didn't get to spend a whole year together in school, however I have absolutely loved teaching you all. You always make me laugh and smile and you have really taken on the challenge of home learning. So, THANK YOU!

I was sent a few pieces of work this week that I would like to include for you all to see.

Joshua's improved setting description!

A lovely letter from Jessica!

Nate's upcycling creation!

I hope that you all have a restful and enjoyable summer whatever your plans may be!

I am looking forward to seeing your smiley faces in September when you move into Year 4!

Love, Miss Cook x
