

### PIZZA PERFECTION

The Year 4 class were lucky to visit our local Pizza Express this week. In the practical session, the children found out about the process of making pizzas and learnt how to roll out dough, spread the passata and add cheese. They all made their own pizza. While the pizzas were cooking, the children did taste testing of anchovies, capers, sundried tomatoes, goats cheese, black olives and artichokes - Mrs Bradfield reports that they were not overly impressed with these! Many thanks to the staff at Pizza Express who were fantastic and the children who were very well behaved.
