OUR MISSION STATEMENT

"Learning and Growing Together in the Light of God's Love"

At St Joseph's Catholic Primary School...

We cherish the uniqueness of all individuals.

We aim to create a learning climate which promotes the development of the whole child and engenders a love for learning and excellence so that, within the framework of a broad and balanced curriculum, all may realise their potential.

We proclaim the Gospel values in the ways in which we love ourselves and others.

Worship, prayer and our relationship with God are at the heart of school life.

We embrace our role in the wider community and seek to bear witness to our Catholic Faith in all that we do.
