Can you volunteer to help at the event?

In order for the film night to go ahead, we rely on parents volunteering to help at the event. Parent helpers are required to arrive at 3.00pm to help set up. They are then assigned to a year group and are responsible for registering and supervising the children in the classrooms and serving the refreshments before joining the children in the hall to watch the film and then seeing the children safely off site at the end of the event. If you are able to help, please indicate on the slip below.
